Subject: Proposed Parking Change-North Washington St
Attachments: N Washington St.pdf

The move by the Senior Nutrition Program from the Knights of Columbus to the Neighborhood House will require sufficient parking in front of the Neighborhood House to accommodate senior vans from Tarrytown and Sleepy Hollow. Both vans measure 25" each. Attached please find the legislation necessary to create a sufficient parking area. I have discussed this proposal with Ms. Francesca Spinner (631-1851) from Neighborhood House and she is in agreement.
