

Board of Trustees
Village of Tarrytown
Regular Meeting No. 17
One Depot Plaza
Tarrytown NY 10591
June 20, 2023
6:05 p.m.

PRESENT in person: Mayor Brown presiding; Trustees: Kim; Mitchell; and Rinaldi. Village Administrator Slingerland; Village Attorney Zalantis; Village Treasurer Morales; Village Clerk Gilligan and Deputy Clerk Fasman

REGULAR MEETING: 6:00 P.M.

The meeting began with the Pledge to the Flag.

PRESENTATION OF FLAG RETIREMENT COLLECTION BOX BY EAGLE SCOUT DYLAN SMITH

Mayor Brown introduced Dylan Smith who is one of the five youngest Eagle Scouts to be given this honor. Dylan created a beautiful installation in honor of Chick Gallea in front of the high school. Today he is reporting on another project that he and his colleagues have been working on.

Dylan Smith along with Isabella Bencosme and Matias Huerta spoke about the flag retirement collection box they created to dispose of flags that need to be retired. The flags that are put into the box will be collected every two weeks, and then they will be retired when they have a camp out. At the camp outs, a bonfire is set and the flags are respectively placed into the fire, and the troops watch them burn while reciting the Pledge of Allegiance or humming the Star Spangled Banner. The collection box will be located at Village Hall with another collection box located in Sleepy Hollow. Information is on the box as to what types of flags can be retired such as flags that are ripped or frayed.

Mayor Brown noted that the Sleepy Hollow National Junior Honor Society Students have provided over 1700 hours of community service for the Villages of Sleepy Hollow and Tarrytown. Thank you for all that you do.

Dylan Smith then spoke about Veterans banners. Dylan would like to implement having Veterans Banners in Tarrytown which would ideally be placed along Route 9 with the Veterans name, years of service, branch of service and photo. The veteran does not necessarily need to be from Tarrytown. He is asking permission to set up a website so people can order the banners and have our DPW Department hang the banners. The cost per banner is \$210.00. Administrator Slingerland stated that this can be put on a future work session for discussion.

BOARD MISCELLANEOUS AND LIAISON REPORTS

Trustee Kim noted that he saw some photos on Facebook about the overflowing garbage cans at Pierson Park. With the weather warming up we might want to look into this. Administrator Slingerland stated he would look into this. Mayor Brown noted that our Parks Department works very hard especially this time of year, and she thanks them for making our parks look beautiful and well maintained.

Trustee Rinaldi noted that we just finished up with two big events in Tarrytown with another on the horizon. Thanks you to our Parks, DPW, Recreation, Fire Department and TVAC for all that you do and for keeping us safe. A special shout out to our Police Department for really keeping us safe and to all of our employees who are working hard on these events. Thank you to all.

Trustee Mitchell echoed Trustee Rinaldi's sentiments with the Juneteenth and Pride Celebrations. Parks, DPW and Police did an excellent job and have been very supportive in having these events be successful. Trustee Mitchell wished to remind everyone that the Warner Library has Museum Passes available which allows access to several museums in Westchester and Manhattan.

Mayor Brown wished to thank the Chamber of Commerce for doing an amazing job with the street Fair and thank you to the merchants for making us one of the best places in Westchester.

CHANGES AND/OR ADDITIONS TO THE AGENDA

Administrator Slingerland noted that there is an addition for Fire Department membership changes and an amendment to the camp employees list.

ADMINISTRATOR'S REPORT

Administrator Slingerland report on the Crest water issue. The Village's Water Department, DPW, Engineer and Superintendent of Public Works along with consultants have been looking into what is causing the problems with air in the system and low water pressure. Repairs have been made to valves, and electrical work has been done in the pump station. This should alleviate some of the issues, but more work has to be done. We ask that all who are affected to continue to inform the Village about any issues you are experiencing.

Mayor Brown wished to remind everyone that letters have gone out about making an appointment to replace your water meters. Deputy Clerk Fasman noted that residents will receive a letter in the mail from the installation company about how to schedule an appointment to have your meter replaced. Information can also be found on the village website on the current projects page. Administrator Slingerland reported that the village is also inspecting and taking inventory of the possible lead service lines in the village as the EPA and NYS Department of Health are requiring us to do so. If you know you have a lead service line, let your water run for a few minutes so it may flush out any lead that has accumulated in your pipes. At some point in the future, the lead service lines will need to be replaced.

Trustee Mitchell wished to note that the Alvin Ailey Dance workshop was in Tarrytown this past Saturday, to help commemorate Juneteenth. The workshop was a great way to get the community together, and interact with your neighbors on a new level. Thank you to Alvin Ailey, and we hope to do more of these events in the future.

Administrator Slingerland concluded his report by stating that Con Edison is continuing their work in the Altamont, Neperan, Grove and Rose Hill neighborhoods. Sunnyside will be completed soon, but only with rough paving and will be completed in January. The sidewalk replacement program which was partially funded by a grant from Westchester County is continuing, and we will hopefully be finishing up with that project in the next few weeks.

Clarice from Tarrytown thanked the village for replacing the yield sign on the H-Bridge. As for the garbage in the park that was talked about earlier, she hopes the garbage in the parks is not from our residents, and hopes that visitors take heed and place any garbage in the proper receptacles. Administrator Slingerland noted that he would look into putting additional receptacles in the parks.

Kate from Tarrytown inquired that now that Covid is over, will the Board be bringing in a more sense of decorum from speakers so that there is a more civil discourse and less hostile environment? Mayor Brown replied that a timer has been implemented, but she isn't sure how much more we can do. Decorum and civility can't be legislated. We can only try to remain calm, be kind, and understand that we can all disagree and still respect one another.

Mayor Brown wished to remind everyone that there is a Special Board of Trustees Meeting taking place on Wednesday July 5th at 6:00 pm. Also on July 4th Tarrytown along with Sleepy Hollow will be hosting fireworks on the 4th of July. There will also be live music, face painting and food trucks.
